MANAGER'S DESK

Guest Changes at the Lodge

Beginning September 7, 2014 the guest policy at the Aspen Lodge will see some changes. After 7 months of review, re-writes and input from residents, the Governing Documents Committee submitted to the Board of Directors, the 2014 revised Aspen Lodge Guidelines. The Guidelines were adopted by the Board of Directors at their July 31, 2014 meeting. Over the next few newsletters I will highlight some of the notable and most used revisions, however, I do encourage all residents to review the new Rules themselves by going to the website, myanthemranch.com. (Log in and Click on Documents, Rules and Regulations, Aspen Lodge Rules-Adopted 7/31/2014).

The first Guest Rule change is as follows, "Residents shall accompany their Guests when the Guests sign in at the Aspen Lodge". No longer can guests come in with a waiver previously signed by a resident and expect to enter the Lodge. The resident must sign their guest into the Lodge each time the Guest visits the Lodge. "Residents who do not remain with their Guests after the sign-in process must provide a contact number where they can be reached while their Guests use the Facilities". There will be a sign in sheet at the Aspen Lodge front desk that the resident can provide their contact information.

The next notable Guest Rule change is as follows, "A maximum of 6 guest passes per Dwelling Unit can be used at any one time". This limitation was established to lessen the impact of large groups and how they may affect the enjoyment of the Lodge for other residents.

As with any of the Lodge Rules, if there are special circumstances that need to be addressed then exemptions can be made by the Board of Directors. No exemptions can be made on the spot by staff or Ambassadors. Please plan accordingly. While we don't like to see changes to rules we already have come accustomed, the community is growing and revisions to existing rules need to be addressed so that the enjoyment of the Anthem Ranch Amenities are not compromised. Please be patient with the staff and ambassadors as we implement these changes.

Sincerely,

Sue Santos, CMCA
Community Manager

Meet Our Staff

Meet James Schultz!
Maintenance Director

With hundreds of acres and a 30,000 square foot recreation facility to oversee, I have plenty to fill my days! As Maintenance Director, I oversee the Valley Crest operations that take care of our outdoor landscaping maintenance as well as all of the other vendors and maintenance staff that keep Aspen Lodge and Anthem Ranch looking beautiful. The best way to utilize my services is to fill out feedback forms either physically at the Lodge, or online at myanthemranch.com under “eforms” so that a work order can be put into action by addressing your concerns. I love to hear positive comments about features you are enjoying about the property and amenities!

Meet Runoda Larson!

My job at the front desk is to greet residents, make sure the coffee is ready, towels are clean and rooms are set up when needed. I normally work weekends, but have been filling in throughout the week days. I enjoy working here! Everyone has been so friendly and welcoming. I recognize faces, and am working hard at putting names to faces. If I haven’t had the opportunity to meet you, please stop by the front desk and say hello!

Colorado Garden and Landscape Masters
Second Tuesday and Fourth Wednesday of every month through October
9:00 AM -10:30 AM
Bev Varmo, Master Gardener
Aspen Lodge

Anthem residents have moved here from all parts of the country. However folks 'you're not in Kansas anymore'. No matter what
plants you see at the garden centers the climate in Denver is unlike the rest of the country. We live in a semi arid high plains desert.
We do not have fertile soil, plentiful rainfall or high humidity. We do have clear blue skies, hot sun and lots of wind. This makes gardening a challenge.
