LOUDOUN VALLEY

LEARN ABOUT THE SERVICES YOUR COMMUNITY HAS TO OFFER

Loudoun Valley, a community of luxury single-family homes, townhomes, and condominiums, is nestled among the rolling hills of historic Loudoun County and the scenic Broad Run stream valley. This delightful community offers luxurious living in an attractive rural setting where the pace of life encourages cherished traditions and warm relationships with neighbors. Picnicking at Lyndora Park, visiting an historic Civil War battlefield or taking a leisurely drive through the Shenandoah Valley – are just a few of the nearby activities. Loudoun Valley is just minutes from beautiful parks and historic sites, yet still very convenient to all the sophistication the city has to offer – from superior schools, fabulous shopping, and fine dining, to the full range of cultural and entertainment opportunities offered in the Nation’s Capital. Centrally located and just one-quarter mile from the Dulles Greenway, Loudoun Valley offers easy access to major employers, such as American Online, Verizon and Oracle. Loudoun Valley is just minutes from such “High Tech” employment centers as Reston, Tysons Corner and Rosslyn.

Located in scenic Ashburn, Virginia, Loudoun Valley was originally home to some of the most prosperous dairy farms in the Washington Metropolitan area. Today, what were once dairy farms has become one of the most prestigious and elegant communities in the County. Ashburn, originally called Farmwell, was founded in 1860 as a rail town when George Lee granted the right-of-way to the Washington and Old Dominion Railroad, which connected to Alexandria.

Ashburn quickly became a bustling commercial village and vacation resort for summering Washingtonians. Many vacationers would rent horses and buggies from the local livery in which to tour the scenic countryside.

What were once railroad tracks has today become the W & OD Trail. This “Skinniest Park in Virginia” is 44 miles long and 100 feet wide. The park is located just 10 minutes from Loudoun Valley and provides excellent recreational opportunities such as horseback riding, hiking, biking and jogging.

Loudoun Valley consists of over 2,700 home sites ranging from our magnificent single-family homes to luxury townhomes and attractive condominiums. A wide variety of home styles are available with all of the outstanding features that make a Toll Brothers home special. In addition, Loudoun Valley offers the most comprehensive selection of pre-priced options in the region, permitting a full range of customizing features to suit every style and preference.

Welcome Home.
