Naval Square is winning **rave reviews** from those who matter most — **OUR HOMEOWNERS!**

"We looked at many places before deciding on Naval Square and nothing really compared. We feel like we're living in a park-like setting with big city conveniences. We're close to everything including terrific restaurants, Rittenhouse Square, public transportation and the Schuylkill River Trail."

-Art Silver

"The sales staff at Naval Square is so friendly. They really took their time answering all of our questions, and it made our decision to buy our next home here very easy. After house hunting throughout Philadelphia, Naval Square offered us exactly what we were looking for - a spacious home in a family friendly community with great neighbors and a wonderful sales staff."

-Diana and Jordan Wallach

"Moving to Naval Square was one of the smartest decisions I have ever made. I look out on our beautiful parade grounds and never again have to worry about shoveling snow or taking care of the garden! The fitness center next to the pool offers every type of exercise equipment one could possibly imagine. I particularly enjoy walking the parade grounds with my dog, Bo. Naval Square is definitely 'pet friendly,' which was quite a draw for me."
