# COMMUNITY PROFILE

*Northville derives its name from its location in the northwest part of Wayne County. It had its beginnings as a small industry-trade center in the early 1800's when farming and lumbering were the main occupations in the area. Today, it remains a commercial center serving a larger residential community. A small number of auto related industries are unobtrusively located in the city. Northville Downs Track, a harness racing facility, attracts thousands of visitors each year. Seven Mile Road and Base Line Road (Eight Mile) are the major east-west routes. Here, the arts and music flourish; shopping is a grand adventure; and medical facilities and resources are among the finest in the country.*

*Downtown Northville, Novi, and Ann Arbor can be reached in 5, 10, and 20 minutes, respectively. The main campuses of two "Big 10" Universities - the University of Michigan and Michigan State University - are also nearby.*

*Schools in the region are hailed as among the best in the nation, with the excellent Northville School District offering gifted programs at all grade levels, and advanced placement courses at the high-school level. Education is taken seriously and the district is consistently ranked as one of the premier school districts in Michigan.*

*Northville Hills Golf Club is close to all types of shopping from quaint antique and specialty shops to modern malls. Excellent medical facilities are also within a short drive of Northville Hills. Providence Medical is five minutes away and offers a complete range of medical services. In addition, the University of Michigan's teaching hospitals and medical care facilities are within 20 minutes of Northville Hills.*

*The good life begins at the community's entry, and never ends. Residents will enjoy Northville Hills Golf Club's state-of-the-art clubhouse which is splendidly appointed with amenities, from dining rooms, lounge and banquet facilities to a pro shop and expansive men's and women's locker rooms. Take in a quick, casual meal with friends and neighbors after a round of golf, or relax with a quiet, elegant dinner while viewing the manicured fairways. A separate Fitness and Swim Complex features everything from a pool to a nautilus and aerobics area. The Northville Hills Clubhouse will be the true center of the social life of the community.*
