Cheltenham Estates, Clinton, MD

“I’m writing this letter to express our appreciation for an outstanding job done by your staff at Cheltenham Estates ... We were fortunate to have had good people, such as Grafton, Jesse, and Patti, a team of dedicated employees at Toll Brothers on hand to assist us over the months it took to reach our goal. We really could not have done this without the support of the Toll Brothers outstanding staff. Thanks and appreciation to Toll Brothers and the staff at Cheltenham Estates.”

“We purchased a Hampton Georgian at Cheltenham Estates in Prince George’s County, Maryland, a little less than one year ago. I am pleased to inform you of the outstanding service rendered to us by Mr. Grafton Brandt, Project Manager, and Mr. Jesse Wheatley, Construction Manager. Both Grafton and Jesse exceeded our expectations. These gentlemen have gone out of their way to ensure we are satisfied with our most significant investment. We wish you well-deserved success.”
