LEARN ABOUT THE SERVICES YOUR COMMUNITY HAS TO OFFER

Ideally located in the northwestern corner of New Jersey, one hour from New York City, Hardyston serves as the "Gateway To Sussex County". Two state highways, Routes 23 and 94, run through the town and connect with I-84 and I-80 for east/west access. These two interstate highways are direct links to I-287, the New Jersey Turnpike, and the Garden State Parkway, making Newark, LaGuardia, and Kennedy Airports within easy reach. Hardyston is also serviced by the New York Susquehanna and Western railroad, which runs directly through it. Presently servicing freight only, New York Susquehanna and Western railroad has plans for expansion to a commuter line, with a commuter station located in the Stockholm section of town. This prime location offers superior schools, excellent shopping, and a wide choice of cultural events close to home.
