### **The Estates at Cedarday, Bel Air, MD**

“Because of the positive attitude of Mike Gourley and Mike Martin, we now have a new ‘beautiful home’ in Cedarday ... They were extremely courteous, professional, knowledgeable, and constantly provided information about the building process of our home. We felt confident, at all times, that they were doing a tremendous job building our home ... Their attention to detail, follow-through, commitment to excellence, and worth ethic certainly contribute to Toll Brothers remaining in a class alone. We give our highest recommendation and do so without reservation.”
