Toll Brothers at FoxCreek, Moseley, VA

“I am very happy with my new home and am glad that I purchased my home with Toll Brothers ... After looking for over a year, I finally settled with FoxCreek and Toll Brothers mostly because of Pat. Compared to other sales personnel with other builders and REALTORS[®], Pat made me feel the most comfortable with choosing Toll Brothers. She has always been professional as well as friendly. Pat made the entire process, from picking out my lot to the style home and everything else in between, up to scheduling the closing the best experience I have had since moving to Virginia ... I want to say a big Thank You to Pat for making me happy in my new home in Virginia.”

“My wife, Anita, and I would like to convey to you the wonderful service we have received from Pat Motyka, Sales Manager. We began the process of purchasing a home at Fox Creek just about a year ago. From the first greeting to the most recent assistance at closing, she has been extraordinarily helpful in a manner far beyond the sale. During the sales process, with her knowledge and genuine concern, she guided us through many decisions, and as a result, we developed a confidence in Toll Brothers. Toll Brothers management should be commended.”

“My husband and I could not have asked for a more pleasant experience working with Jamie and Pat [sales team] ... they were always extremely helpful ... and we trusted their expertise without question. If we ever have to purchase another home, it will be very difficult to find anyone else that would be any better ... we count it a blessing that we were able to have them to work with. Thank you so much!!”

“We have received the best of the best customer service we have ever received in the past three years of our home shopping experience. Thank you for hiring quality staff such as Patricia Motyka. Pat is so knowledgeable, and the most professional and pleasant person we have ever come in contact with since we started looking for our first home ... Patricia patiently sat down with Frank and I to build our dream home on line, and she went over each and every detail the way we want it to be built. Patricia is so awesome; words can never explain how wonderful this young lady is. Her heart is identical to a big gigantic pot of gold; she restored my faith in owning my first home ... Thank you Toll Brothers, with special thanks to Patricia Motyka. Our dream home search is over.”
